

NEW - INFANT | TODDLER PROGRAM!

# healthy+fit | family time

nine thursday mornings 11:00am - 12:00pm beginning June 16

**open to everyone - membership is NOT required**

This class offers the opportunity for families to exercise their bodies together. Come and join us – **June 16 - August 11** – as we exercise with our little ones. This class provides a warm, safe, and supportive environment for babies, toddlers, and families.

Silvia Schoffman has been teaching exercise and sports skills to young children for over 25 years. This class provides an opportunity for families to exercise and stay fit together as children develop agility, balance, and coordination.

Please fill out the information below and return with your check or credit card information.
