

**Driver | Vehicle Information Form | 2017-2018**

In our ongoing effort to secure our Temple, we are asking for the following information from every member of your family. We will be issuing new parking decals for your vehicles, to replace those on the driver's side of your windshield. This will enable us to identify member cars from non-member cars, and to know to whom each vehicle belongs. The decals are static and can be removed with great ease, so please remove them prior to selling your car. Should you change vehicles, we will need the information below for your new car. You may email: [operations@leobaecktemple.org](mailto:operations@leobaecktemple.org) with vehicle changes, and should you need a new decal, please come in to the main office.

**Please print clearly and return to the LBT office as soon as possible.**

**Name(s) of all drivers and vehicle information for your family:**

**Driver 1:** \_\_\_\_\_
